Employment History

September 2012 – Present

Clinical Assistant Professor
Rutgers School of Nursing – Camden

Full time nursing faculty responsible for teaching courses across traditional, accelerated, RN – BSN, and DNP programs, in both the didactic and clinical settings. Teaching responsibilities include developing curriculum and topical outlines to adhere to learning objectives and program requirements per CCNE, AACN, and QSEN. Additional responsibilities include scholarly work; grant writing and professional publications as well as serving on school and university wide committees, and mentoring students.

July 2018 – Present

AtlantiCare Regional Medical Center
Department of Obstetrics & Gynecology

Advanced Practice Nurse. Responsible for care of normal and high risk obstetrical patients, performing hospital rounds, triage, patient admissions and discharges. Full scope ambulatory care of patients including physical examination, preventative health screenings, diagnosis of disease processes and medical management including prescriptive authority for classes II - IV. Also responsible for medical procedures in the ambulatory setting including colposcopy examinations, endometrial biopsies, insertion of intrauterine devices, contraceptive implants, pessary fittings and management. Included in this role are credentialing with medical staff privileges at AtlantiCare Regional Hospital Pomona, NJ.

July 2000 – June 2018

Women's Health Nurse Practitioner
Cumberland Obstetrics & Gynecology, P.A.
Vineland, NJ 08360

Advanced Practice Nurse specializing in the care of women throughout their lifespan. Primary responsibilities include physical examination, preventative health screenings, diagnosis of disease processes and medical management including prescriptive authority for classes II - IV. Also responsible for care of normal and high risk obstetrical patients, performing colposcopy examinations, endometrial biopsies, insertion of intrauterine devices, contraceptive implants, pessary care and menopausal management. Included in this role are credentialing with medical staff privileges at Inspira Health Network, Vineland.

September 2008 – August 2012

Clinical Assistant Professor
University of Medicine & Dentistry of New Jersey
Stratford, NJ

Full time nursing faculty responsible for teaching courses in the accelerated RN and graduate clinical tract programs. Responsible for delivery of course content in the didactic setting and precepting graduate students in clinical settings. Also responsible for scholarly work, service on University committees, and mentoring, and advising students.

December 1995 - July 2012

Women's Health Nurse Practitioner
Inspira Health Network
Vineland, NJ

Labor & Delivery Staff Nurse providing complete comprehensive care of the normal and high-risk obstetrical and laboring woman. Operating room, circulator, scrub and recovery room nurse. Assessment and stabilization of the newborn, antenatal testing, caring for antepartum patients and providing complete care of the postpartum patient. Additional responsibilities include the role of resource nurse, charge nurse

and nurse preceptor. In May of 2003 employment status changed from RN to APN with the primary responsibility of delivering obstetrical healthcare to all patients of IHN prenatal clinics.
