

Terri-Ann Kelly, RN, PhD

Title and Address:

Assistant Professor
Rutgers School of Nursing – Camden
530 Federal Street, Suite 438
Camden, NJ 08102

Contact Information:

tk503@camden.rutgers.edu

Education

Highest Earned Degree

University of Pennsylvania, School of Nursing, Philadelphia, PA, Ph.D. in Nursing Science May 2017
Dissertation: Fruit & Vegetable Intake in Emerging Adult Black Women, April 2017

Other Earned Degrees

University of Connecticut, College of Liberal Arts & Sciences, Storrs, CT, B.S. in Biological Sciences, 2007

Villanova University, School of Nursing, Villanova, PA, B.S. in Nursing, 2009

Villanova University, School of Nursing, Villanova, PA, M.S.N. in Nursing Education, 2013

Certificates and Licenses Held

Registered Nurse: RN610018, State of Pennsylvania

American Heart Association BLS for Health Care Providers (CPR & AED)

American Council on Exercise Certified Personal Trainer & Fitness Nutrition Specialist

Online Teaching and Learning Certificate

Honors and Awards

Professional Awards and Honors

Fontaine Summer Research Grant

Office of Nursing Research Student Grant

Office of Nursing Research Student Grant Recipient

Award for Distinguished Achievement in

Academics Fontaine Fellowship

Phi Kappa Phi

Award for Distinguished Achievement in

Service Promise of Nursing Fellowship

IBC Nurses for Tomorrow Scholarship

Advanced Education Nursing

Traineeship

Sigma Theta Tau

Employment History

Positions Held

2017-ongoing **Rutgers, The State University of New Jersey**, Camden, NJ, Assistant Professor of Nursing

2016-2017 **Thomas Jefferson University**, Philadelphia, PA, **Immersion Educator**

- Instructed, supervised and evaluated students in a variety of clinical educational settings
- Facilitated nursing simulations for undergraduate nursing students

2014-2017 **University of Pennsylvania**, Philadelphia, PA

Lecturer B (2016-2017), **Teaching Assistant** (2015-2017), **Guest Lecturer** (2014-2016)

- Facilitated psych/mental health simulations for undergraduate nursing students
- Supervised and evaluated students in psych/mental health transition care setting
- Instructed graduate students on the development and use of mobile applications for web-based research methodology
- Taught undergraduate students about maladaptive responses in Psychiatric Mental Health Nursing
- Led undergraduate seminar discussions on diversity and the social determinants of health

2012-2015 **Temple University**, Philadelphia, PA - **Adjunct Faculty**

- Conducted health promotion education in a Homeless Shelter for Women
- Instructed, supervised, and evaluated students in Community Health

Upcoming Conference Proceedings

The Obesity Society Annual Meeting

Physical Activity Intervention Effects on Waist-to-Hip Ratio in African American Men Living with HIV

Published Conference Proceedings

ABNF Annual Meeting and Scientific Conference

Podium presentation- Attitudes predicts Food Insecurity among Black Emerging Adult Women.

ENRS 33rd Annual Scientific Conference

Oral Presentation- Development of a Successful Academic-Community Partnership to Improve Mental Health for Mothers at Risk

2020 State of the Science Congress on Nursing Research

Poster presentation – A Collaborative, Multi-Component, Intervention to Reduce Depression Risk for Mothers Living in Under-Resourced Communities.

ENRS 32nd Annual Scientific Conference, Boston, MA

Podium presentation- The Relationship between Physical Activity by Gender on Suicidal Ideation, Suicide Attempts and Suicide Attempts Requiring Treatment: Youth Risk Behavior Survey 2011-2017

ENRS 32nd Annual Scientific Conference, Boston, MA

Paper presentation- Factors That Impact Genetic (DNA) Testing in Multi-Ethnic Mothers From Under-Resourced Communities

ENRS 32nd Annual Scientific Conference, Boston, MA

Poster presentation- Academic-Community Partnerships: A Collaborative, Pilot, Intervention That Improves Psychosocial Outcomes in Young to Middle Aged Adult Mothers At-Risk for Depression

Academy's 2019 Transforming Health, Driving Policy Conference, Washington, D.C.

Poster presentation - Salient Beliefs about Participating in Genetic testing

Academy's 2019 Transforming Health, Driving Policy Conference, Washington, D.C.

Poster presentation - Gender Effects of Physical Activity on Suicide Attempts

American Public Health Association, Philadelphia, PA

Roundtable presentation – Increasing Physical Activity among African American Men Living with HIV

2019 TCNJ Interdisciplinary Research Symposium, Trenton, NJ

Poster presentation - Beliefs and Willingness to Participate in Genetic (DNA) Sampling in Low Income or Ethnic Minority Mothers at Risk for Depression

African American Collaborative Obesity Research Network Conference, Philadelphia, PA

Poster presentation - Factors Influencing Intention to Consume the Recommended Daily Intake of Fruits & Vegetables in Emerging Adult Black Women.

The Obesity Society, Boston, MA- Poster presentation - Differences in BMI, Consumption of High-Fat Foods, and Importance of Restaurant Characteristics by Food Insecurity and Socioeconomic Status in Urban Women (Awarded Diversity Tour Best Poster Award).

Service

Service to Other Public Bodies

2020- Healthy Nurse, Healthy New Jersey
Presenter, Healthy YOU in 2020 Webinar

- 2018- Healthy Nurse, Healthy New Jersey (HNNHJ)
Team Member: Served as a role model, educator, and advocate for health and healthy living in this initiative of the New Jersey State Nurses Association.
- 2013-2014 | Mercy Philadelphia Hospital, Philadelphia, PA
Clinical Liaison: Synthesized assessment data to determine plan of care; coordinated home health services for patients; collaborated with patient and multidisciplinary team to coordinate patient care.
- 2012-2013 | Belmont Behavioral Health, Philadelphia, PA
Psychiatric RN: Synthesized assessment data to determine plan of care; delivered safe, compassionate, and culturally competent care to emotionally distressed clients; collaborated with patient and multidisciplinary team to coordinate patient care; medication management and milieu therapy; evaluated and documented patient care.
- 2011-2012 | Mirmont Treatment Center, Lima, PA
Psychiatric RN: Synthesized assessment data to determine plan of care; delivered safe, compassionate, and culturally competent care to emotionally distressed clients; collaborated with patient and multidisciplinary team to coordinate patient care; medication management and milieu therapy, evaluated and documented patient care.
- 2010-2011 | Children's Hospital of Philadelphia, Philadelphia, PA
Surgical/Trauma RN: Synthesized assessment data to determine plan of care; delivered safe, compassionate, and culturally competent care; collaborated with patient, family, and multidisciplinary team to coordinate patient care; evaluated and documented patient care; used clinical judgment to delegate tasks based on scope of practice.
