Employment History

I. Nursing Experience

Family Nurse Practitioner/Assistant Medical Director

October 2017-Present

CompleteCare Health Network, Vineland, New Jersey

Age Groups: Infant through elderly adult

Locations/Clinics: Urgent Care (8 hours per week), Adult Primary Care (24 hours per week), Pediatric Primary Care (4 hours per week), Women's Health Pap Clinic (4 hours per week).

Primary Care Responsibilities: Function independently to perform age-appropriate history and physical for complex acute, critical, and chronically ill perioperative patients. Orders and interprets diagnostic and therapeutic tests relative to patient's age-specific needs. Prescribes appropriate pharmacologic and non-pharmacologic treatment modalities. Implement interventions to support the patient to regain or maintain physiologic stability.

Assistant Medical Director Responsibilities: Ensures the provider and site meets the company productivity target. Addresses any operational issues, incident reports, or patient/provider satisfaction concerns. Ensures all providers adhere to company policy and procedures. Responsible for conducting provider semi-annual performance review.

Family Nurse Practitioner & Assistant to the Chief Nurse Officer

April 2020 – July 2020

Field Medical Station Atlantic City

Responsibilities: Develop and create policy and procedures for staff including RNs, Advanced Practice Providers, and ancillary staff to care for COVID-19 positive patients. Attend daily interdisciplinary huddles. Perform assessments, develop plan of care, and prescribe interventions for COVID-19 positive patients within the Field Medical Station.

Registered Nurse II (Charge Nurse)

January 2016 – September 2017

Neurosurgical Spine and Joint Replacement Unit

Christiana Care Hospital, Newark, Delaware

Responsibilities: Active role as the charge nurse for a 30-bed unit, with responsibilities to manage a minimum of 6 RN's, 3 patient care technicians (PCT), and a unit clerk per shift. Attend bed board meetings and assign staffing based upon unit census and patient acuity. Utilized as a point of reference and mentor for newer nurses during the shift. Ensure patient safety and positive outcomes are maintained during the shift. Respond to and de-escalate patient concerns to maintain a positive experience.

Registered Nurse I

July 2015 - January. 2016

Neurosurgical Spine and Joint Replacement Unit

Christiana Care Hospital, Newark, Delaware

Responsibilities: Administer medications, perform wound care, and numerous other personalized interventions to optimize patient outcomes. Coordinate all aspects of patient care, including patient education and discharge planning, through communication and collaboration with the interdisciplinary health care team.

Nurse Extern

June 2014- July 2015

Neurosurgical Spine and Joint Replacement Unit

Christiana Care Hospital, Newark, Delaware

Responsibilities: Provide hygiene, comfort measures and selected direct and indirect patient care activities and ancillary duties for adult patients under the direction and supervision of a Registered Nurse
