Master of Science in Nursing (Education track), Drexel University, Philadelphia, PA, 2008

Certificates and Licenses Held

Certified Nurse Educator (CNE), The National League for Nursing
Registered Nurse, State of New Jersey

Linguistic Ability

English

Research Interests

Professional Identification

Nurse Educator

Professional Nurse

Description of Research and Scholarly or Creative Objectives

Broadly speaking, my scholarship focuses on integrating feminist care ethics in nursing education, with colleagues, students and patients. I serve as a consultant for three acute care psychiatric facilities in the state, developing research and education initiatives to enhance staff development and ultimately improve patient care outcomes. My educational research focuses on integrating diverse teaching and evaluation methodologies to enhance student learning, clinical learning, and faculty mentoring.

Employment History

Positions Held

1989-1990	Staff Nurse, Monmouth Medical Center (Surgical & Medical Intensive Care Units), Long Branch, NJ
