Students who received their Associate Degree in Nursing from a community college (2-year college) may transfer in 60 credits towards the RN-BS degree. Transcripts are evaluated upon acceptance to determine which courses may be accepted as transfer credit. When you are accepted to the RN-BS program, you will be awarded 33 credits for previous nursing courses you have taken if you have passed the NCLEX licensing examination. Your last 30 credits towards your degree must consist of courses taken at Rutgers.

*****All students must take a minimum of 30 credits with Rutgers Camden to satisfy program requirements & complete the program.**
